TracFone Wireless, Inc. (TracFone) hereby amends its application for designation as an Eligible Telecommunications Carrier to provide Lifeline assistance on an emergency basis to displaced victims of Hurricane Katrina who are eligible for such emergency assistance pursuant to requirements recently established by the Commission.

The application is amended in the following respects:

1. In the section captioned "Certification with FEMA Documentation" on page 5, a new question b. is inserted following question a.:

- b. If you have not received a letter from FEMA as described in question a, above, do you have other proof of FEMA approval of housing assistance funds which you are not required to repay. Such other proof may include copies of checks issued to you by FEMA or deposits to your bank account.

Questions b, c, and d are now questions c., d., and e. respectively.

3. The section captioned "Certification Without FEMA Documentation" on pp. 6-7 of the application is deleted.

Respectfully submitted,
